LUSHENG LAW FIRM

ABOUT US

Founded in 2006, Lusheng Law Firm ("Lusheng") is a Chinese law firm specialising in legal services and patent representation in the field of intellectual property (IP). We are headquartered in Beijing and have branch offices in Shanghai and Guangzhou.

Our professional team consists of practicing attorneys, patent agents and enforcement experts in the field of intellectual property. Our international and domestic clients include fast growth technology start-ups and famous brand owners. Since founded, Lusheng has focused on approaching issues with an international mindset and applying outside-the-box thinking to offer fully integrated one-stop-shop IP solutions.

Our lawyers have trained at the top law schools in China and abroad. A number of them have obtained higher level degrees and qualifications from leading universities in UK, Germany, USA as well as China. In addition, many have extensive experience working in both domestic and international law firms and IP agencies. We are able to communicate with clients in a number of languages including Chinese, English and German.

To meet the needs of our clients in different regions and different development stages, we have established strategic partnerships with leading international IP consulting firms, working closely with our professional teams in offices across three continents (Asia, Europe and the Middle East).

We have been involved in a range of leading IP cases in China, from patent and trade mark to those involving trade secrets and unfair competition. Several have been recognised by the Courts and granted 'best case' awards by various IP institutions.

OUR VALUES
